JOHN H. NEWMAN, M.D.  
CHIEF OF PULMONARY DIVISION  
ELSA S. HANIGAN CHAIR IN PULMONARY MEDICINE

December 12, 1985

The Council for Tobacco Research - USA, Inc.  
110 East 59th Street  
New York, New York 10022

Dear Sirs:

I am expanding a research project which involves the improved therapy for patients with chronic lung disease. This therapy needs good scientific study, and it may be the kind of project that the Council for Tobacco Research would be interested in supporting. Please send me all necessary information and applications so that I may submit an application to you if it appears to be appropriate.

Thank you.

Sincerely,

John H. Newman, M.D.  
Associate Professor of Medicine  
Chief, Pulmonary Medicine
